Lincoln Police Department Seeks Reaccreditation

Beginning Monday, November 2nd, 2020, the Commission on Accreditation for Law Enforcement Agencies (CALEA) will conduct a three-day compliance assessment of the Lincoln Police Department. The team will measure the agency's continued ability to meet national public safety standards. The Lincoln Police Department is one of seven agencies in the State of Nebraska that are nationally accredited by CALEA, and has continuously maintained accredited status since April 1989.

Due to the COVID-19 pandemic, the Lincoln Police Department will be among the first agencies to experience a virtual inspection format. Chief Bliemeister invites agency personnel and members of the community to offer comments directly to the CALEA assessment team on the agency's ability to meet these professional standards.

- November 3rd, 2020 – Phone Call-in Session to the CALEA assessment team by calling (402) 441-7003 between the hours of 1 p.m. and 3 p.m.
- November 3rd, 2020 – Virtual Public Hearing Session (via Zoom) will occur starting at 3 PM.
